Comments:

The Department of Revenue received notification by the City-as required by Section 144.757- RSMo, that it had imposed a 2.75% City local option Use Tax at the same rate as the local sales tax rate. The tax became effective October 1, 2021 with no expiration date. The City had indicated that it would distribute the funds as follows:
 30% Public Safety; 30% Roads & Bridges and 40% Parks & Recreation for the first 3 years of collections. City receipts lag collections by approximately 2 months. Monthly use tax distributions are distributed by means of electronic fund transfers from the State to the City.
 The Missouri Municipal League's estimate for the first year collections was approximately \$704,294. Six (6) months of receipts (half of the fiscal year) would amount to \$352,147. At this point it appears that the City will realize at least the anticipated amount. Monthly numbers exceed expectations. Hopefully, receipts will continue to increase in future months.

Comments:

Currently, City Sales Taxes total 2.750%. This includes 1% General, .5% Transportation, .5% Capital Improvements, .5% Parks/Stormwater, and .25% Fire. Numbers are shown as received by the City. Receipts lag collections by approximately 2 months. The Total Sales Tax rate will go to 8.35% in about December with the passage of the 911 tax at the August 3, 2021 election and includes State and County amounts with the passage of the County's 1/4% Sales Tax for the Juvenile Center and Courthouse work in October 2016 with an approved extension until 2035. The General Fund Sales Tax (1%) receipts for May 2022 showed an decrease of 25.42% from the same month last Fiscal Year. This amounted to approximately \$62,207.03 less than the same month last year. This is the eleventh month of the fiscal year with eight months of collections higher than last year's monthly reported Sales Tax collections. Overall, the City had budgeted an increase of 9.23% from the previous year's budgeted amount, primarily due to the COVID pandemic along with other revenue sources in the City's budget for fiscal year 2022. In late December 2020, Congress passed the Consolidated Appropriations Act to further address the economic devastation caused by the coronavirus pandemic. The bill was signed into law on Dec. 27, 2020. On March 11, 2021, President Biden signed the American Rescue Plan Act of 2021 (H.R. 1319), also known as ARP, into law. The \$1.9 trillion package is intended to combat the COVID-19 pandemic, including the public health and economic impacts. The American Rescue Plan Act allocates hundreds of billions of dollars for public health and vaccines, and may stimulate additional local spending.
